No.3/9/2014-Admn-I

Dated the 17<sup>th</sup> May 2017

### **MEMORANDUM**

Pursuant to publishing the draft RRs for Group B & C Technical Posts in the website of the Directorate on 22 July 2016, number of representations have been received from the Technicians and Lighthouse Employees Association expressing various views and demands.

The percentage is worked out based on the number of posts in the feeder cadre post vis-à-vis promotion post. Feeder post to feeder post of Assistant Engineer is not taken into account as this is only failing which clause which has no relevance in fixation of percentage of posts for different feeder cadre

Placing of Technicians at par with JEs is within the ambit of expert body i.e. pay commission. The pay commission after considering various facts, recommends for upgradation or degradation of a post. The commission has not recommended any such upgradation in respect of Technicians. Proposed creation of intermediary grade of Senior Technician in the grade pay of Rs. 4200/- is as per the directives of Hon'ble Court in various cases as Technicians (Group C posts) cannot be considered for promotion to the post of AE at par with other cadres which are in Group B.

Grant of financial upgradations under ACP/MACP as per the government guidelines is purely personal in nature. Grant of functional promotion is the functional requirement of the organization to carryout the works as each post has certain duties and responsibilities.

Contd.....2/-

: 2 :

Consequent upon implementation of 7<sup>th</sup> CPC recommendations, Navigational Assistant Grade I are placed in the grade pay of Rs. 4600/- at par with AE (E) and Navigational Assistant Grade -II is upgraded to the Grade pay of Rs. 4200/-. Therefore, the posts of Navigational Assistant Grade I is proposed to be renamed as Assistant Engineer (Electronics) and Assistant Engineer (Electronics) is proposed to be renamed as Navigational Officer in the Level 8 of the Pay Matrix.

For information to all concern.
